

Alloy Wheel Insurance

WHAT IS COVERED?

Within the period of insurance, we will pay for the cost of repairs resulting from accidental damage to your alloy wheels.

We will pay for a specialist repairer to attempt repairs to your alloy wheels, to their best endeavours. If the alloy wheel cannot be safely repaired, we will pay a contribution towards the costs of a replacement like for like alloy wheel.

The maximum amount we will pay for any alloy wheel repair, per individual wheel and the aggregate claim limit, will depend on the level of cover purchased.

WHAT WE WILL PAY FOR

We cover the following:

- **Repair** - Pays the cost of repairs caused by accidental damage to the alloy wheels.
- **Replacement** – Where a safe repair cannot be carried out, we will pay a contribution towards the costs of a replacement like for like alloy wheel, up to the claim limit selected.
- The amount we pay will be dependent upon the claim limit and period selected.
- There is no policy excess payable.
